Subject: Caring School Community Information

To: Woodland Families

Good Afternoon Woodland Families,

I hope you are having a great start to your week, I look forward to seeing you at Jacket Jump Start in the days ahead.

As promised, I wanted to share some additional information about the Caring School Community program. I have attached an overview of all the units covered throughout the year in each grade level. The shaded boxes are meant to be completed in the order outlined, while the other units are meant to be completed in the order most appropriate to each classroom. I also included a sample lesson and Home Connection in the first and fourth grade. The Home Connection is a critical part of our implementation by allowing us to partner with families in order to connect and extend the conversations in the classroom with conversations at home. I hope these activities spark insightful discussions at home, we look forward to partnering with you throughout the year.

While we will continue to share as much information as possible, I know families may still have questions and want to review the materials. Throughout the next few days I have set aside some time for families to review the materials and discuss any questions they may have. I will be available:

Tuesday, August 17 from 8:20 AM to 12:00 PM

Wednesday, August 18th from 3:00 PM to 7:00 PM

Thursday, August 19th from 8:20 AM to 12:00 PM

I look forward to seeing you this week and welcoming all our students on Friday to officially begin the new school year.

Sincerely,

Michael Salwiesz
